

A & H Update

No. 9 Issue 4 Autumn 2019

Welcome to this issue of A & H Update

Our quarterly newsletter is designed to keep you updated with all our news.

Dental Implants

A **dental implant** is designed to replace a missing root and to hold an artificial tooth in place. Implants offer **solutions** for numerous dental conditions – from individual tooth replacement to solutions for a completely toothless jaw.

Adam is accredited with the Straumann system of dental implants, a high quality brand of implants which offer extremely good success rates due to the high volume of scientific research carried out by the company.

Please ask any member of staff for details or book a **free 'Implant Chat'** with Adam to see how implants can help you.

We are collecting for Warwick District Food Bank this Christmas – can you help?

Warwick District foodbank provides food for thousands of adults and children each year, distributing tonnes of food for the local area. Every **Christmas** our staff **donate** a food and toiletries bundle to the foodbank. This year with the help of our patients we are looking to make our **biggest** donation yet. From Monday 11th November to Friday 6th December we are asking patients to bring in longlife food items, cleaning products or toiletries to add to our donation. We will then deliver to the foodbank the second week of December ready for Christmas. **Thank you** for your help!

Our Refer a Friend Scheme is proving popular. Let your friends know that you have your teeth cared for by A & H Dental Care and if they join our practice and mention your name we will send you £15 of High Street vouchers to say thank you!

A & H Bitesize

- Patients on our Standard and Enhanced **membership** schemes receive a 20% discount on most treatment items and FREE Dental Health Checks and Hygiene visits twice per year. Monthly membership starts from just **£14.50** for Standard. See our membership leaflet for full details of all the **benefits** that are included.
- Thank you to everyone who helped raise money at our **Cake Sale for Macmillan Cancer**, we raised **£30**

Raising Awareness of Mouth Cancer

The British Dental Health Foundation is once again running its Mouth Cancer awareness campaign this November and we will be participating with extra information available for our patients. For your **peace of mind** we include mouth cancer screening in every Dental Health Check appointment all year round.

October is Stoptober!

During October, thousands of people across England are taking part in Stoptober – an exciting month long challenge to stop smoking run by Public Health England. Since 2012 it has **assisted** over 1.5 million smokers to try and **quit**.

Just visit <http://smokefree.nhs.uk/stoptober>

Patient Corner - What do you think?

Patient views are important to us and help us to constantly **improve** our service. If you have any feedback about our practice please feel free to talk to any member of staff. Opinions and ideas can also be posted in our comments box in reception.
