Welcome to this issue of A & H Update

Our quarterly newsletter is designed to keep you updated with all our news.

Coronavirus Update

We are now offering a full range of dental services. Please help us to keep the surgery running smoothly by following staff advice, attending alone where possible and wearing a face covering in communal areas. Thank you for your patience as we continue to catch up with postponed care.

**We must
keep on
protecting
each other.**

STAY ALERT ▶ CONTROL THE VIRUS ▶ SAVE LIVES

We are collecting for Warwick District Food Bank this Christmas – can you help?

Every **Christmas** our staff **donate** a food and toiletries bundle to the foodbank. This year with the help of our patients we are looking to make our **biggest** donation yet. From Monday 16th November to Friday 11th December we are asking patients to bring in longlife food items or toiletries to add to our donation. We will then deliver to the foodbank ready for Christmas. **Thank you** for your help!

Our Refer a Friend Scheme is proving popular. Let your friends know that you have your teeth cared for by A & H Dental Care and if they join our practice and mention your name we will send you £15 of High Street vouchers to say thank you!
